

Message from the Chairman

Welcome to the fall issue of the HETS Online Journal,

As the recent elected Chair of the Board of Directors, I am delighted to present the third edition of this publication. With this edition, we are proud to announce that the HETS Online Journal has been nominated for inclusion in EBSCO Publishing's databases (EBSCO). EBSCO Publishing caters to the information needs of researchers at every level by providing the content to bring the latest and best information to researchers. This issue addresses relevant topics impacting technology and Hispanic Students. The HETS journal is peer-reviewed and available in both electronic and hard copies. Our readership includes researchers, scholars, students and organizations who are interested in technologies, higher education and the Hispanic population. The journal also highlights the use of technology to improve pedagogy. It is only through publications such as the HETS Online Journal that we can focus a wide spotlight on the good work that is being done by our colleagues.

It is my sincere hope that you share the link to our journal with your colleagues. Should you have an innovative technique or would like share your knowledge and experience in technologies impacting higher education, please consider submitting an article for the Fall Edition.

My sincere gratitude to Dr. Chirino, Editor-in-Chief, and the members of the Editorial Board who reviewed and selected the articles among the many wonderful submissions we received. This is the third year of volunteer service of this outstanding Editorial Board. We would like to recognize the hard work, commitment and dedication of all of its members.

I hope you find our fall issue both informative and interesting.
