

Message from the Chairman

On this new academic scenario due to the covid-19 pandemic, I am particularly happy to present the Spring Issue, Volume X, of this publication. The HETS journal traditionally **addresses relevant topics impacting technology and Hispanic Students**; this Issue is no exception. This is the third volume that we integrated new areas of interest, including student retention and assessment, and the very important topic of student access. I invite you to share the link of this Journal with your colleagues. Moreover, if you have an innovative project or would like to share your knowledge and experience in any of these areas impacting higher education, please **consider submitting an article** for the Volume XI that will be published on Fall **2020**.

The **deadline to submit** your article is **on or before September 25, 2020**. Click [here](#) to **download the guidelines to submit your article**. Your submission should be an **original work either in English or Spanish**. Just send it to the HETS office via e-mail to: info@hets.org. The main goal of the HETS Online Journal, which is included in **EBSCO Publishing's databases**, is share best practices and the latest information in higher education and showcase the exciting work being done by our colleagues.

Our sincere gratitude to the **Editor in Chief, Pamela Vargas**, and members of the Editorial Board: **Dr. Ana Milena Lucumi, Mr. Sunil Gupta, Dr. Manuel Correa, Dr. Carlos Morales, Dr. Juan "Tito" Meléndez, and Prof. Pura Centeno** for once again, accepting the challenge of reviewing and selecting the articles among the many impressive submissions received. We would like to recognize the hard work, commitment and dedication of all.

I hope you find our Spring Issue both informative and interesting.

Dr. Carlos Vargas-Aburto
HETS Chair
President, Southeast Missouri State University
