

## Message from the Chairman

Welcome to the spring issue of the HETS Online Journal,

I am delighted to present the spring issue of the sixth edition of this publication. We are proud because, since its third edition, the journal is being included in EBSCO Publishing's databases. EBSCO Publishing caters to the information needs of researchers at every level by providing the content to bring the latest and best information to researchers.

The HETS journal has been characterized because it addresses relevant topics impacting technology and Hispanic Students; this issue is not an exception. Our readership includes researchers, scholars, students and organizations who are interested in technologies, higher education and the Hispanic population. The journal also highlights the use of technology to improve pedagogy. It is only through publications such as the HETS Online Journal that we can focus a wide spotlight on the good work that is being done by our colleagues.

It is my sincere hope that you share the link to our journal with your colleagues. Should you have an innovative technique or would like share your knowledge and experience in technologies impacting higher education, please **consider submitting an article** for fall edition **on or before September 16, 2016**.

My sincere gratitude to editor in Chief, Pamela Vargas, and members of the Editorial Board: Dr. Naydeen González De Jesús, Prof. Ana Milena Lucumi, Mr. Sunil Gupta, Dr. Manuel Correa, Dr. Carlos Morales, Mr. Carlos Guevara, Dr. Juan "Tito" Meléndez, and Pura Centeno for accepting the challenge of reviewing and selecting the articles among the many exciting submissions received.
