

HETS ONLINE JOURNAL

"Take education to a higher level.
Let's share our knowledge with the world!"

The Journal's goal is to publish original, **peer-reviewed** and high quality scientific papers, research review, evidence-based articles **in English or Spanish**, as well as other products of research in the field of technology in education.

This Journal is included on the EBSCO and Cengage databases.

JOIN US!

You're invited to submit your article to the HETS office **via e-mail:** info@hets.org for possible inclusion in the next issue of the HETS Online Journal.
