# MESSAGE FROM THE CHAIR OF THE BOARD OF DIRECTORS

Greetings! I am honored to serve as the new Hispanic Education Technology Services (HETS) board chair and represent my fellow presidents of our member institutions. Established in 1993, HETS is the first bilingual consortium of more than 40 higher education institutions in Puerto Rico, United States and Latin America. Our current mission is to promote, support, and increase the capabilities of member institutions to enhance Hispanic/Latino student success and opportunities in Higher Education.

In this catalog, we aim to share our common resources and document individual aspects of member institutions, to facilitate, and nurture strategic alliances among them and other interested academic, government, corporate, and non-profit collaborators.

Through this Student Passport initiative for student and faculty mobility, we foster stronger language skills in English and Spanish, while sharing best practices for Hispanic/Latino student success. Students will be encouraged to “Connect, Lead and Learn” while HETS accelerate our strategic goals and enforce our core work principles:

- Innovation
- Strategic networking and alliance-building
- Ongoing organizational learning and growth
- Commitment to our members
- Collaboration
- Culture of service
- Leadership development

Gladys Nieves Vázquez, P.E.  
President, EDP University of  
Puerto Rico

## MESSAGE FROM THE EXECUTIVE DIRECTOR

A cordial greeting! As Executive Director, it is with great pleasure to launch this publication that helps promote student mobility and support the collaboration of our member institutions and peer organizations. Thanks to the constant support of our members to HETS' new initiatives, we can share key information through this catalog!

From its foundation in 1993, HETS has continued developing and expanding its programs and services to further promote Hispanic access to higher education and successful completion. As a pioneer organization in the use of technology in higher education, our interest is to move forward in developing new initiatives like the Student Passport: Connect, Learn & Lead, and this member institutions' catalog, that support students taking advantage of the opportunities in the new labor scenario.

We are pleased to continue working together to remain carrying out our mission, focusing on the transformation of teaching and learning through technology, and the success of Hispanic students. Finally, our special appreciation to our new Chair, Ing. Gladys Nieves for the catalog's idea and her exceptional staff who coordinated the art design of this catalog.

Sincerely yours,

A handwritten signature in black ink, reading "Yubelkys Montalvo".

Yubelkys Montalvo, Ed. D.  
Executive Director

# ALBIZU UNIVERSITY

## FINANCIAL AID

Federal Programs PELL Grant (FAFSA) Federal Supplemental Grant (FSEOG) WorkStudy Program (FWSP) State Programs Scholarship Program for Academically Talented Students (BETA) Institutional Scholarships Honor Scholarship Institutional Scholarship Institutional Fund Academic Achievement Scholarship (NEW 9) -2024)

Work-Study Program (FWSP) This program provides study-related work and community services to students who demonstrate financial need. The student works, after school hours, a certain number of hours. Through this work experience we try to develop the positive attitudes of a university student and an efficient employee. Funds are limited, so apply as soon as possible. Eligible students may be assigned to work within the Institution earning the current minimum wage. Likewise, students are assigned outside the Town to provide service to the community. Each locality has a financial aid officer for the financial aid application process. Contact: Financial Aid Office Director 787 753-6335 Ext. 4201

## STUDENT SUPPORT SERVICES

Indicate all the basic student services offers by your institution such as housing, transportation, food, health, and safety for short, medium, and long-term stays and the contact information - ICPR Junior College offers students a variety of services to provide support and make it easier for them to achieve their career goals. These include: Transportation Services, Mental Health Services, Safety, Academic Support Services, among others The campus directors, the faculty, as well as the Counselor and staff of each location who led the service offices are coordinated and provide follow-up so that these services and the needs of the student are attended as required. For more information you can contact Student Affairs Director at 787 753-6335 or you can go to our website <https://www.icprjc.edu>

## STUDENT MOBILITY

To provide students with services and experiences in addition to those offered by ICPR Junior College that represent an added value for them, the following services have been specified so that the student continues to achieve new goals and acquire various opportunities, allowing the institution to promote their transformation. Among these we can mention:

1. Collaborative Agreements that have led to having companies or offices to facilitate the student's placement in the internships required in their academic programs.
2. Job fairs coordinated with employers who visit the institution and carry out recruitment and selection processes of candidates for present and future employment opportunities.
3. Collaborative Agreements with recognized university institutions in the academic area of health and criminal investigation. These agreements allow the student to continue studying at new academic levels and that their already approved credits can be partially or totally validated in these other institutions to carry out new academic programs in less time.

# “UNIVERSIDAD CENTRAL DEL CARIBE”

**T**he “**Universidad Central del Caribe**” (UCC) in 1976 as the first private medical school in Puerto Rico. In its more than forty-five-year history, the UCC has evolved into a health sciences university with fully accredited academic programs conducive to a medical doctor degree and Doctor of Chiropractic degree, as well as academic offerings in Medical Images Technology, Substance Abuse Counseling, and Biomedical Sciences including two doctoral degrees, in cellular and molecular biology and one in neurosciences. What distinguishes the UCC from other institutions in Puerto Rico is its continuing commitment to preparing high-quality health professionals and biomedical scientists who can support and collaborate in the provision of preventive care, promote healthy lifestyles, and provide excellent services while maintaining a sense of humanism, compassion, and the highest ethical values. Particular characteristics of the institution are its intensive and extensive programs of practical experiences in clinical settings in the community and a long-standing record of public and private partnerships and service-linked education.

The UCC has embraced new trends and challenges in education by introducing the tools necessary to remain current and innovative. Moreover, the UCC has met the requirements for licensing by the Puerto Rico Board of Post-secondary Institutions and achieved or exceeded all the accreditation standards of the Middle States Commission on Higher Education (MSCHE). In 2020 the MSCHE authorized the institution to include the delivery method of distance education within the scope of its accreditation. The educational program conducive to the medical doctor degree holds full accreditation from the Liaison Committee on Medical Education (LCME, since 1979) and the Doctor of Chiropractic program was granted initial accreditation from the Council on Chiropractic Education (CCE, since 2021). Since 1978, the school of medicine sponsors a residency program in Internal Medicine with categorical and preliminary positions accredited by the Accreditation Council on Graduate Medical Education (ACGME). The school of medicine also sponsors, since 2019, the first Multidisciplinary Fellowship in Addiction Medicine for primary care physicians on the island.

## OUR LOCATION

Principal campus at Bayamón, Puerto Rico

## ADDITIONAL INFORMATION

# BOROUGH OF MANHATTAN COMMUNITY COLLEGE, CUNY

**Borough of Manhattan Community College** (BMCC) stands out with its prime location in the heart of Manhattan, providing students exceptional access to New York City's vibrant cultural and professional opportunities, including valuable internships and networking. Ranked among the top U.S. community colleges for student success and degree completion, BMCC is celebrated for its diverse student body and inclusive environment. The college's Accelerated Study in Associate Programs (ASAP) has gained national acclaim for significantly improving graduation rates and retention. Known for its robust support services, including career counselling, academic advising, food pantry and childcare, BMCC also stands out for its flexible learning options and innovative programs in STEM, healthcare, and the arts. These achievements and its commitment to diversity and affordability make BMCC a premier choice in higher education.

**Rankings, awards, and/or accreditations** BMCC is accredited by the Middle States Commission on Higher Education (MSCHE). The college has received numerous accolades, including being named among the top 10 community colleges in the U.S. for awarding associate degrees to minority students. BMCC has also been recognized for its innovative programs and commitment to student success, including its online learning offerings and support for first-generation college students.

## OUR LOCATION

BMCC's main campus located in downtown Manhattan at 199 Chambers Street, New York, NY 10007, and a satellite campus uptown at CUNY in The Heights at 5030 Broadway New York, NY 10034.

## ADDITIONAL INFORMATION

<https://hets.org/borough-of-manhattan-community-college-cuny/>

## ACADEMIC PROGRAMS

BMCC offers several associate degree programs that can be started and completed entirely online, making education accessible to students across the U.S. and Latin America. These programs include Business Management, Liberal Arts, Psychology, and Criminal Justice. Students can benefit from flexible learning schedules while receiving the same quality education as on-campus students. For more information, please visit BMCC Online Programs. <https://www.bmcc.cuny.edu/academics/learning-options/online/>

Through partnerships with four-year institutions like CUNY, SUNY and top senior colleges, BMCC students can seamlessly transfer to continue their education. Programs such as the Science for Forensics, Nursing, Allied Health and Teacher Education provide a strong foundation for students to pursue further studies. For more information, please visit BMCC Transfer Programs. <https://www.bmcc.cuny.edu/admissions/bmcc-and-beyond/>

## FINANCIAL AID

BMCC offers a wide range of scholarships and grants to help students finance their education. These include the BMCC Foundation Scholarship, the Excelsior Scholarship, and the Hispanic Scholarship Fund. Additionally, BMCC provides emergency grants to assist students facing financial hardships.

For more information, please click on the Additional Information link or scan the QRCode.

## STUDENT SUPPORT SERVICES

BMCC provides a range of essential student services, including health services, counseling, and food assistance through the Panther Pantry. Although the college does not offer oncampus housing, students can access resources to find affordable housing options in New York City. Additionally, BMCC is committed to ensuring student safety through its Public Safety Department, which provides 24/7 security on campus. For more information, please visit BMCC Student Services. <https://www.bmcc.cuny.edu/students/>

## STUDENT MOBILITY

BMCC provides a rich bilingual environment through diverse faculty, bilingual course offerings, study abroad trips, and cultural events. The college offers bilingual support services like tutoring and academic advising in both English and Spanish. Additionally, BMCC collaborates with organizations that offer bilingual work environments, providing students with real-world experiences to enhance their language skills and cultural competencies. For more information, please visit BMCC Experiential Learning. <https://www.bmcc.cuny.edu/academics/experiential/>

# COLLEGE OF STATEN ISLAND, CUNY

**C**ollege of State Island, CUNY - Nestled on a sprawling 204-acre campus - the largest in NYC - CSI offers students a unique blend of urban energy and suburban tranquility. This CUNY institution boasts **\*\*cutting-edge research facilities\*\*** and specialized academic programs, particularly excelling in the sciences, nursing, and business. With its strong emphasis on hands-on learning, CSI provides students unparalleled opportunities to engage in groundbreaking research alongside distinguished faculty. The college's vibrant campus life, featuring numerous clubs and organizations, ensures a well-rounded college experience. For ambitious high school students seeking a **\*\*transformative educational journey\*\***, CSI offers the perfect balance of academic rigor, research opportunities, and a supportive community, all within reach of the world's most exciting city. [Explore CSI's Programs](<https://www.csi.cuny.edu/academics-and-research/academic-programs>) and discover your potential today!

**Rankings, awards, and/or accreditations:** Recent years, CSI has upheld its strong reputation while achieving new milestones in academic recognition. The college's commitment to an inclusive learning environment shone brightly when five CSI professors received prestigious CUNY Black, Race and Ethnic Studies Fellowships in 2023, putting CSI at the forefront of important academic discussions. These honors boost the quality of academic programs and create new chances for students across campus. Other achievements include top rankings for its Nursing graduate program, military-friendly policies, and eco-friendly practices by Princeton Review, as well as being ranked #2 among colleges with high acceptance rates. CSI's latest accomplishments inspire confidence, pointing to an even more promising future for this vibrant institution.

## OUR LOCATION

State or Country - New York, United States  
2800 Victory Blvd, Staten Island, New York

## ADDITIONAL INFORMATION

<https://hets.org/college-of-staten-island-cuny/>

## ACADEMIC PROGRAMS

The College of Staten Island offers a wide range of individual courses in an online format, providing flexibility for students. However, the number of fully online degree programs is limited. Students may need to combine online courses with in-person classes to complete their degrees.

The College of Staten Island offers a comprehensive range of academic pathways to support students at various stages of their educational journey. Whether entering through an associate degree program or requiring additional remedial support, students have access to tailored resources that help them succeed. CSI also provides numerous online courses, offering flexibility in how students pursue their education, although fully online degree programs remain limited. These options are designed to ensure that every student can find the right path to meet their academic and career goals.

## FINANCIAL AID

At the College of Staten Island, students have access to a variety of financial aid options to help manage their educational expenses. In-state students can benefit from the Tuition Assistance Program (TAP) and the Excelsior Scholarship, both of which can significantly lower tuition costs. Additionally, U.S. citizens with demonstrated financial need may qualify for the Federal Pell Grant. The college also offers merit-based scholarships for academically outstanding students. For more information, students can contact the Financial Aid Office at 718.982.2030 or via email at [financialaid@csi.cuny.edu](mailto:financialaid@csi.cuny.edu). For details on merit scholarships and fellowships, students can reach out to the Fellowship and Scholarship Advisor, in Building 1A, Room 210C, by calling 718.982.2332.

## STUDENT SUPPORT SERVICES

At the College of Staten Island, we strive to make your experience as smooth and fulfilling as possible, whether you're here for a semester, a year, or your entire degree. Our housing options include luxury apartment-style accommodations designed to meet various needs, and dining on campus offers a variety of choices. Additionally, there are off-campus restaurants nearby for students to explore. Your well-being is a top priority. Our Health Center is available to address any health concerns, while confidential counseling services and a well-equipped Fitness Center are also offered.

## STUDENT MOBILITY

At our institution, we are committed to providing students with diverse opportunities to immerse themselves in a bilingual environment. We organize study abroad programs that allow students to experience life in Spanish-speaking countries, such as Spain and Ecuador.

For a third time, Hostos also secured a place among the Aspen Prize Top 150 U.S. Community Colleges.

## OUR LOCATION

State or Country - New York, United States

## ADDITIONAL INFORMATION

<https://hets.org/hostos-community-college/>

## ACADEMIC PROGRAMS

Hostos Online offers completely asynchronous online degrees. Asynchronous courses and all class materials are available to enrolled students online 24/7 on Blackboard, the learning management system used across CUNY. All courses offered in the online degree will transfer to 4-year CUNY colleges. <https://www.hostos.cuny.edu/AdministrativeOffices/Office-of-Academic-Affairs/Hostos-Online/Online-Degree-Programs>

The Joint Dual Programs seek to assist students in reaching their educational goals by providing high quality academic advisement services, resources and planning tools. Our goal is to support joint program students to facilitate timely graduation and a successful transition into a senior college. <https://hostos.cuny.edu/Administrative-Offices/Office-of-Academic-Affairs/Student-Support/Dual-Degree-Program/Contact-Us>

## FINANCIAL AID

---

Hostos Community College's now offers an online scholarship management system! This new system provides all currently enrolled Hostos students access to a myriad of need- and-merit based scholarships. The system is user friendly and matches you automatically with scholarships within your eligibility by using your GPA, course of study and the information you provide. The site also has a page that includes links to external scholarship pages and additional outside funding. Hostos scholarships are funded through the Hostos Community College Foundation thanks to the College's donors. <https://hostos.cuny.edu/Financial-Aid/Scholarships-and-Grants>

The Federal Work- Study (FWS) Program is a need based federally funded program that offer students an opportunity to gain valuable work experience that will enhance their job skills. FWS employment may be offered to student employees in several ways: on campus, off campus, and/or through Public Service Corp (PSC). Federal guidelines prohibit students from working during scheduled class hours. Work hours must be arranged in a way that it does not conflict with class hours. Typical jobs include clerical work, providing overall assistance to departments such as the Library, Computer Labs, and tutoring.

## STUDENT SUPPORT SERVICES

At our Hostos One Stop, we offer supportive services to ensure that you have a successful college experience and are able to complete your degree. ## ACADEMIC PROGRAMS

The University at Albany (UAlbany) has various rankings depending on the source and specific program. In terms of overall national universities, U.S. News & World Report ranked it #121 (tie) in their 2025 rankings, and #61 in Top Public Schools (tie). UAlbany is also recognized for its strong social mobility, ranking #26 in Top Performers on Social Mobility. Washington Monthly ranked it at #51. The programs that can be started and/or completed online may be found at <https://www.albany.edu/online>.

The University at Albany (UAlbany) offers several programs designed to create pathways for students interested in Science, Technology, Engineering, and Mathematics (STEM) fields. These include the Collegiate Science and Technology Entry Program (CSTEP) and the Science & Technology Entry Program (STEP), as well as specific initiatives focused on graduate pathways and summer research opportunities.

Here is a link with more information: <https://career.albany.edu/channels/stem/>.

## STUDENT MOBILITY

Internships allow students to test out a future career, learn new skills, apply classroom knowledge and network with professionals. Here are some suggestions to help you get started: Talk to your academic advisor about planning for and finding an internship. Contact the Minerva Center at [MinervaCenter@albany.edu](mailto:MinervaCenter@albany.edu) for guidance. Search on the University's job and internship board, Handshake. Visit the Office of Career and Professional Development. Meet with your school or college's career services staff. Ask your academic department if they know of any relevant opportunities. Use your network. Ask faculty, family and friends if they know of any open positions.

University at Albany has several study abroad programs. We partner with many programs across the globe. Here are the link with more information: <https://abroad.albany.edu/> and <https://www.albany.edu/oaae/summer-research-program>.

The Office of Undergraduate Admissions awards merit scholarships to newly admitted freshmen and transfer students with noteworthy achievements. All accepted students are considered for these awards, so an application is not necessary.

# SOUTHEAST MISSOURI STATE UNIVERSITY (SEMO)

**S**outheast Missouri State University, is a comprehensive university, recognized for excellence in education, research, engagement, and creativity. Its mission is to provides student-centered education and experiential learning with a foundation of liberal arts and sciences, embracing a tradition of access, exceptional teaching, and commitment to student success that significantly contributes to the development of the region and beyond.

**Rankings, awards, and/or accreditations:** Acquires its regional accreditation status from the Higher Learning Commission's Commission on Institutions of Higher Education. Southeast Missouri State University currently maintains the following accreditations in the Earl & Margie Holland College of Arts & Media: NASM Accreditation- National Association of Schools of Music, NAST Accreditation- National Association of Schools of Theatre, NASAD Accreditation- National Association of Schools of Art & Design, CIDA Accreditation- Council for Interior Design Accreditation, ACEJMC Accreditation- Accrediting Council on Education in Journalism and Mass Communication, and the PRSA Certification- Public Relations Society of America. Southeast Missouri State University currently maintains the following accreditations in the Donald L. Harrison College of Business & Computing: AACSB Accreditation- Association to Advance Collegiate Schools of Business.

For more information, please click on the Additional Information link or scan the QRCode.

## OUR LOCATION

State or Country: Missouri, United States of America  
Cape Girardeau, Missouri

## ADDITIONAL INFORMATION

<https://hets.org/southeast-missouri-state-university-semo/>

## ACADEMIC PROGRAMS

Fully online programs (meaning you can start and finish your degree from anywhere) include but are not limited to the following: Applied Behavior Analysis, Applied Computer Science, Applied Technology, Business Administration, Computer Information Systems, Criminal Justice, Educational Administration, Elementary Education, Exceptional Child Education, Family Studies, General Studies, Healthcare Administration, Interdisciplinary Studies, Management, Nursing, Psychology, Public Administration, Secondary Education, Social Science, Sport Management, STEM, Teacher Leadership, Teaching English to Speakers of Other Languages, and Technology Management. <https://semo.edu/academics/programs/#online> through Dr. Alvaro Perez Arcila at [alvaro.perez@uccaribe.edu](mailto:alvaro.perez@uccaribe.edu).

## FINANCIAL AID

For visiting/exchange students who attend SEMO through one of our bilateral partnership agreements for 1-2 semesters, we offer either an exchange tuition waiver that waives the cost of tuition at Southeast (exchange students pay tuition instead to their home university during their semester at SEMO) or the Southeast Partnership Award (visiting students pay tuition to SEMO at a discounted rate negotiated with our partner institution upon signing the agreement). Visiting/exchange students are automatically given these awards upon admission to Southeast, so there is no need for a separate application.

For more information, please click on the Additional Information link or scan the QRCode.

## STUDENT SUPPORT SERVICES

SEMO offers a Bachelor of Arts Degree in Spanish as a foreign language (Link at Additional Information)

For questions regarding our Spanish language courses, contact the Department of Communication Studies & Modern Languages at [commstudies@semo.edu](mailto:commstudies@semo.edu). A second opportunity at SEMO that exposes students to a bilingual environment or immersion in Spanish is joining or attending events hosted by the Student Organization of Latinos (SOL). The organization participates in several events throughout the year, including the university's annual Carpe Diem event (the University's annual cultural celebration, showcasing the diversity represented on campus) and international education week, as well as organizing and hosting their own events, such as Latino Night. For more information, please click on the Additional Information link or scan the QRCode.

## STUDENT MOBILITY

Arriving at Southeast Missouri State University (SEMO) is an exciting step towards our students' academic journeys. To ensure a smooth transition, we've outlined important details about transportation and housing. Transportation: Whether arriving at Cape Girardeau Regional Airport, just 15 minutes away from campus, or at St. Louis Lambert International Airport, approximately two hours away, SEMO offers convenient options for every student's journey. For Cape Girardeau arrivals, our pick-up service is available during recommended dates, which will be shared with the student upon acceptance to the program. The \$25 pick-up service covers transportation from the airport to a dorm or designated housing. If opting for a St. Louis arrival, a charter bus service, priced at \$75, is available on select dates. For more information, please click on the Additional Information link or scan the QR-code.

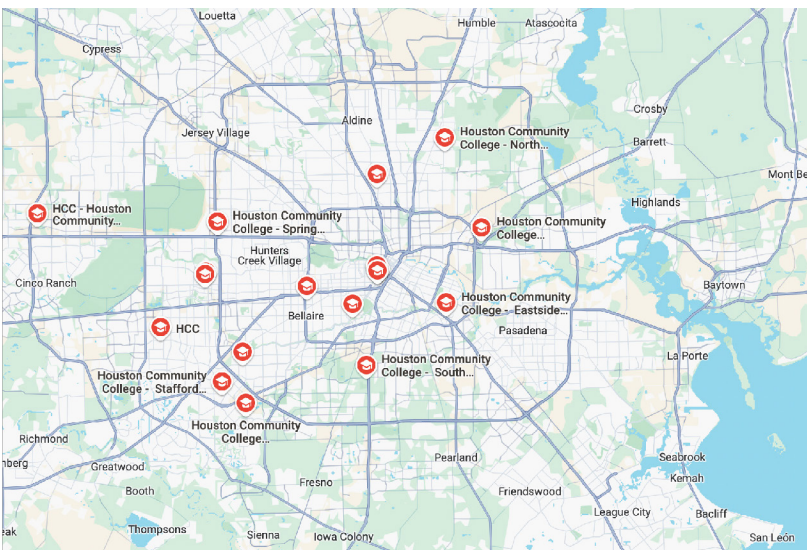

# HOUSTON COMMUNITY COLLEGE

**H**ouston Community College our mission reflects our role as an open-admission, public institution of higher education offering a high-quality, affordable education for academic advancement, workforce training, career development, and lifelong learning to prepare individuals in our diverse communities for life and work in a global and technological society.

**HOUSTON**  
COMMUNITY COLLEGE

# LAREDO COLLEGE

**L**aredo College is unique due to its deep commitment to affordability, accessibility, and student success. It ranks as the #1 community college in Texas and offers a wide range of programs that cater to local and international students. Its focus on minimizing student debt and providing high-quality education in high-demand fields, such as nursing, has earned national recognition. The college also offers extensive support services and cutting-edge facilities, fostering a welcoming and inclusive learning environment ( Laredo College ). For more details, visit their website.

**Rankings, awards, and/or accreditations** Laredo College holds several prestigious rankings and awards. It has been named the #1 Community College in Texas by BestColleges.com and ranks #1 for least student debt by Community College Review. Additionally, the nursing program is recognized as the #1 Associate Degree Nursing (ADN) program in Texas by RNCareers.org. The college is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees( Laredo College ). For more details, you can visit their website.

## OUR LOCATION

## ADDITIONAL INFORMATION

<https://hets.org/laredo-college/>

Laredo, Texas - Laredo College has two campuses: Fort McIntosh Campus: Located in downtown Laredo at West End Washington Street, it blends historic origins with modern facilities. South Campus: Situated on South Zapata Highway, this campus features contemporary architecture and state-of-the-art technology. These campuses serve over 10,000 students each semester, offering a wide range of academic and technical programs( Laredo College ). For more information, you can visit their website.

## ACADEMIC PROGRAMS

Laredo College offers a variety of online programs that can be started and completed from anywhere in the U.S. or LATAM. These programs are available and can be found on the Laredo College website [www.laredo.edu](http://www.laredo.edu). One of our most popular programs is the Bachelors Degree in Nursing which is offered fully online.

Laredo College offers several pathways to bachelor's and graduate programs in areas where Hispanics are underrepresented, such as STEM, Healthcare, and Education. These pathways are designed to support students in fields that are critical to their professional development and where diverse representation is needed. STEM Pathways: Laredo College offers an Associate of Science in Civil Engineering, providing foundational coursework for students planning to transfer to a four-year university to complete a Bachelor of Science degree in Civil Engineering. Other programs in Science, Technology, Engineering, and Mathematics (STEM) fields help students develop research and problem-solving skills, preparing them for further study in areas like engineering and technology. More information about STEM pathways can be found here (Laredo College). Healthcare Pathways... For more information, please click on the Additional Information link or scan QRCode.

## FINANCIAL AID

Laredo College offers various grants and scholarships to help students fund their education. These include federal grants like the Pell Grant, which is available to undergraduate students with financial need, and the Federal Supplemental Educational Opportunity Grant (FSEOG) for students with exceptional financial need. Additionally, the Texas Educational Opportunity Grant (TEOG) helps students with financial need attend public community colleges in Texas. On-campus grants like the TPEG (Texas Public Education Grant) are also available, providing support for students' educational expenses based on financial need and availability of funds. For more details on these and other scholarships, you can visit the Laredo College Financial Aid page. You can also contact the Financial Aid Office at (956) 721-5361 or by email at [finaid@laredo.edu](mailto:finaid@laredo.edu) (Laredo College). For more information, please click on the Additional Information link or scan QRCode.

## STUDENT SUPPORT SERVICE

Laredo College offers a variety of essential student services to support both short and long-term stays. Health Services, Food Services, Safety, Housing and Transportation. For any inquiries or further details, you can contact the Office of Student Life at (956) 721-5179 or visit the Laredo College Student Services page (Laredo College).

## STUDENT MOBILITY

Laredo College offers several opportunities for students to engage in bilingual environments and immerse themselves in Spanish through various programs and cultural initiatives.

For more information, please click on the Additional Information link or scan QRCode.

# UNIVERSITY OF HOUSTON-DOWNTOWN

**T**he **University of Houston-Downtown** is a comprehensive four-year university offering bachelor's and master's degree programs aimed at career preparation. From the day our doors opened more than 50 years ago, UHD has expanded to serve the educational needs of America's fourth-largest city. Now, UHD offers bachelor's degrees in 45 areas of study and 12 master's degrees. We're located right in the heart of Downtown Houston, one of the nation's most culturally diverse metropolitan areas. So naturally, we've created an environment that welcomes and embraces students from all backgrounds. With an 18-to-1 student-to-faculty ratio, we provide a unique hands-on learning environment for each student. They can choose from face-to-face instruction downtown or on our satellite locations, degrees and classes offered completely online and even a combination of the two. Best of all, we offer everything for one of the lowest tuition rates among state colleges and universities. For more information: <https://uhd.edu/about/uhd-points-of-pride.aspx>; <https://uhd.edu/about/accreditation.aspx>

**Rankings, awards, and/or accreditations** A college degree is a game-changer that transforms the future of a student at the University of Houston-Downtown. Each year, UHD is recognized by rankings organizations for our commitment to providing a high-quality education that is affordable and accessible to all who seek it. <https://uhd.edu/about/uhdpoints-of-pride.aspx>; <https://uhd.edu/about/accreditation.aspx>

## OUR LOCATION

Located right in the heart of Downtown Houston

## ADDITIONAL INFORMATION

<https://hets.org/university-of-houston-downtown/>

## ACADEMIC PROGRAMS

UHD has several online degree completion programs for students who have completed core coursework at another university or community college. UHD currently offers upperlevel coursework online for 16 bachelor's degrees and 4 graduate degrees.

UHD offers several programs like: <https://www.uhd.edu/academics/sciences/scholars/scholars-about.aspx>; <https://www.uhd.edu/academics/public-service/urban-education/bied.aspx> For more information: <https://uhd.edu/academics/online/>

## FINANCIAL AID

Welcome to the Office of Scholarships and Financial Aid. <https://www.uhd.edu/financial/>; We assist students and families with the process of receiving financial aid to cover the cost of education at the University of Houston-Downtown. Have questions about Financial Aid? Check out our video portal. Available 24/7! <https://www.uhd.edu/financial/scholarships/>; The University of Houston-Downtown (UHD) awards a variety of scholarships based on academic merit, financial need, and special programming. <https://www.uhd.edu/financial/scholarships/gator-scholarship-center.aspx>

Federal and State funds provide part-time jobs for students who exhibit financial need, allowing them the opportunity to earn money to assist with educational expenses. Work study positions are not guaranteed, and do not pay out in a lump sum like other financial aid awards. <https://www.uhd.edu/financial/types/work-study/index.aspx>

## STUDENT MOBILITY

The University of Houston-Downtown offers a variety of international education opportunities throughout the world. Options range from week-long faculty-led trips to full semester immersion experiences. All of these programs provide countless opportunities to explore intercultural issues outside of the classroom and around the world. Visit the study abroad office today to find a program that's right for your major and budget! <https://www.uhd.edu/academics/impactlearning/index.aspx>; <https://www.uhd.edu/academics/impactlearning/internships-and-field-experiences.aspx> ILO is working to expand and support our many internship and field experience opportunities.

## STUDENT SUPPORT SERVICE

These are support services for students. All students in the UHD community are encouraged to explore the following resources available to them. <https://www.uhd.edu/sssl/student-life/students-basic-needs/index.aspx>
