To Whom it May Concern:

It is my pleasure to write this letter of recommendation for Mike Portillo to attend the HETS Learning Technologies Leadership Academy (H-LTLA). I have known Mike for the past 8 years in his capacity as an Information Technology Consultant in the Information Technology Services Division.

Mike's strong suit is his ability to collaborate with faculty and staff across the university in his role working towards achieving our strategic goals. Through the years, Mike has also demonstrated his commitment to advancing the adoption of teaching and learning technologies on our campus.

Mike has a passion for teamwork, collaboration and innovation that will serve our institution well into the future making him an ideal candidate for this academy. I am confident Mike will bring a unique perspective to the academy and will provide invaluable feedback to the experience.

If you have any questions, please feel free to contact me directly and thank you for your consideration.

Sincerely,

*Samuel Sudhakar*
