To Whom it May Concern:

It is my pleasure to write this letter of recommendation for Stephanie Garcia to attend the HETS Learning Technologies Leadership Academy (H-LTLA). I have known Stephanie for the past 4 years in various capacities, most recently as an Administrative Support Coordinator in the Information Technology Services Division.

Stephanie's strong suit is her ability to collaborate with faculty and staff across the university in her role working towards achieving our strategic goals. Through the years, Stephanie has also demonstrated her commitment to advancing the adoption of teaching and learning technologies on our campus.

Stephanie has a passion for teamwork, collaboration and innovation that will serve our institution well into the future making her an ideal candidate for this academy. I am confident Stephanie will bring a unique perspective to the academy and will provide invaluable feedback to the experience.

If you have any questions, please feel free to contact me directly and thank you for your consideration.

Sincerely,

Samuel Sudhakar
