To the members of the HETS Learning Technologies Leadership Academy (H-LTLA) selection committee,

I want to thank you for the opportunity to designate Mark Lennerton as Bronx Community College's nominee for selection to the H-LTLA program. Mark's chief duty for the past seven years at BCC has been to promote and facilitate the adoption of teaching and learning pedagogies and technologies as the director of the Center for Teaching, Learning & Technology (CTLT). In that time, hundreds of BCC faculty have attended and benefited from the numerous teaching-with-technology workshops and seminars CTLT has hosted. His background and experience uniquely suit him for this venture. Without reservation, I endorse Mark's application and hope that you will select him to the first edition of the HETS Learning Technologies Leadership Academy.

Sincerely,

A handwritten signature in cursive script that reads "Luis Montenegro".
