Dear H-LTLA Selection Committee:

I want to thank you for the opportunity to designate Sahidha Odige as Bronx Community College's nominee for selection to the H-LTLA program.

Sahidha's main responsibility for the past eight years has been to lead our college's academic support services, including our Learning Commons, Math and Science Tutoring Lab, and our Writing Center. Starting well before the pandemic—but accelerated greatly since then—Sahidha has transformed our academic support offerings to offer robust hybrid and remote offerings. Always willing to innovate and experiment with new technologies and opportunities, Sahidha would benefit greatly from—and contribute significantly to—the HETS Learning Technologies Leadership Academy.

I recommend Sahidha for this opportunity without reservation.

Sincerely,

*Alexander Ott*
