Jennifer,

I'm writing to express support and also to share the info with Dean Cosper and Dr. Myers. As the LCTCS – HETS Board member we will support (by travel reimbursement) your attendance at the upcoming HETS Board meeting; a letter supporting that is forthcoming.

I responded to Yubelkys earlier today, about the email below, to let her know we are putting your name forward as our candidate for this year's HETS **Academy Summer Edition**. I am copying the Delgado leadership so they know of our support and request that you participate.

Thanks again for continuing this work,  
Missy
