**Subject:** Request for Nomination Letter for H-LTLA Application

Good Morning Dr. Rodriguez!

As per your recommendation to apply for the H-LTLA program, I'm reaching out to request your support with a nomination letter for my application. Here are the program's requirements for the letter:

A letter from a president, chancellor, or administrator stating the nominee's qualifications for the program, leadership strengths, and development opportunities. The participant should upload the nomination letter on the application field provided. NOTE: If at the moment of sending the application you don't have a signed nomination letter, please upload a document with the evidence that it is being processed (for example: a print screen of an email requesting the letter) along with the contact information of the person in charge of completing it.

Thank you very much for your continued support and guidance. Please let me know if you need any additional information.

Best,

**Brenda Carmona**
