Dear Dr. Yubelkys Montalvo,

I am pleased to submit my application to participate in the upcoming HETS Academy. I currently work under the leadership of Dr. David Harper, Vice President for Workforce and Academic Programs at Chesapeake College.

Upon completing the HETS Academy, I plan to apply the insights gained to better support our students enrolled in online, asynchronous courses. Through collaboration with faculty and instructional designers, I aim to offer feedback that will help enhance the quality and effectiveness of our programs.

I look forward to fully engaging in the HETS Academy experience and to promoting its value among our students, faculty, and administrators. Our membership in this important organization will be instrumental as we prepare for our transition to becoming a Hispanic-Serving Institution.

Thank you for considering my application. I am excited about the opportunity to contribute to and benefit from this valuable learning experience.

Sincerely,
